

# Year 5 Homework

## Task A:

Your task this week is to find the size of **six** countries around the world. You are to:

- List all your chosen countries
- Write the size of all six countries
- Write the population size of all your chosen countries

## Task B:

Using the six countries in **task A**, you are to order them from:

- Greatest to smallest in size
- Greatest to smallest in population size

## Task C:

Draw the flag of one of your chosen countries. Include colour.

**Due date: *Tuesday 27<sup>th</sup> of September***
