Look carefully at the picture below, what do you notice?

Neatly label (annotate) the picture, describing what you can see.

One thing has already been done to show you what to do.

Now explain what you think this is.

Explain your thinking.

Answer **neatly** in **full sentences** with capitals, full stops and using the word ***because***.

Try to use your own ideas before you are tempted to research in books or on the internet!
