

Year 1 – Home Learning

Autumn Term 1 – Week 6

We have been learning about subtraction.

I am one hungry T Rex!

Help keep track of how many dinosaurs I am eating. First choose a **red** number card:

Next choose a **green** dinosaur number:

1

2

3

4

5

You can use real objects such as toys or pencils to help you. If you want a challenge, you can write the subtraction number sentence to help keep track of the dinosaurs eaten by the T-Rex!

Example: $10 - 2 = 8$

My number line

Further Practise and Challenge Online

Can you dig it? Choose a fact family or group of families.

<http://www.fun4thebrain.com/subtraction/dinoDigSub.html>

How quickly can you uncover the bones?

Have a go at the Dino Disco! Practise your subtraction facts and earn funky new disco moves!

<http://fun4thebrain.com/subtraction/dinoDiscoSub.html> Have fun!

Please remember to log into Bug Club to practise reading at home.
