

For your half term home learning, your task is to make your very own Victorian food/drink recipe. You can choose to make this yourself, or you could think about what we have learnt and come up with your own food/drink idea. For example, you could...

- Come up with a brand new recipe...mouldy bread/fruit soup (mouldy bread/fruit was often all the poor people could afford).
- Make bread and dripping.
- Make broth.
- If you make things yourself, take pictures/write about how it went. If you write your own recipe make sure to include instructions and draw pictures in your book.

After half term, we will be making gruel so it will be very exciting for me to hear about all the other delights you have written about or made.

Have a very happy half-term and we will see you on Tuesday 30th October.
