

Home Learning - Autumn Term 1

Week 4 - Year 1

We have been learning facts about different dinosaurs. Use your knowledge to make a dinosaur fact poster. Choose your favourite dinosaur or dinosaurs, and write as many facts as you can. Try to draw and label your dinosaurs.

Think about:

What does your dinosaur look like?

Is it a herbivore or a carnivore? How do you know?

What makes it different to other dinosaurs?

Remember to log into Bug Club!

You will find your new passwords in your Reading Records.
