

Home Learning - Autumn Term 2

Week 1 Year 1

This half term we have been learning all about the seasons.

We have been looking at the differences between the four seasons.

Have a go at completing one of the activities below:

-  *Can you name the four seasons?*
-  *Draw/paint a picture of what season you see around you.*
-  *Can you take a photo of the leaves on the tree?*
-  *Collect some different coloured autumn leaves and create a picture.*

Try to answer some of the questions below:

- *What do you think will happen next season?*
- *What is your favourite season?*
- *What else can you think of that changes throughout the seasons?*

Please remember to log into Bug Club to continue your English learning at home.
