

Year 1 - Home Learning
Autumn Term 2 - Week 5
Money, Money, Money!

We have been learning about money. We have been comparing the shape, size and colour of coins and notes to help us recognise them. We have been shopping for items and using the correct coins to pay.

Can you draw the coins and notes in your parent's/carer's purse or wallet?

Can you name all of the coins or notes?

Next to each coin or note, can you write the value?

Challenge - How much money do they have in total?

Please remember to log into Bug Club to continue your English learning at home.
