

## Home Learning 15.11.18

In English we have been working on writing instructions.

This weekend we would like you to use this sheet to write a set of instructions for wreaking some kind of (imaginary) havoc at home - For example;

How to turn my older sister into a statue,

How to take control of the television for the weekend,

How to get an extra £20 pocket money (without doing any extra work!),

How to convince my mum I've done my homework...

# CAUTION

**READ  
INSTRUCTIONS
