

King Midas and the Golden Touch

King Midas - Home Learning 30.11.18

In English, we are looking at the tale of King Midas. For this week's home learning, please use this sheet to draw what you imagine King Midas to look like. Think of what we know about his character and how he might display his power through his clothes. You could always draw some details in the background - Throne, Golden Statues etc. Please label the drawing to explain why you have drawn him like this.
