

Year 2 Home Learning Week 6

In our story, 'Toys in Space' the Hoctopize steals one thousand lost toys whilst he is searching for his Cuddles. When the other toys convince him to send the lost toys back, he uses their address labels to parachute them down to Earth from Space.

Do you know what your address is?

What number flat/house do you live at?

What road do you live on?

Do you know how to get to school from your address?

You could either –

Discuss this with an adult.

Write your own address label for one of your toys.
