

## Year 1 – Home Learning

### Autumn 2 Week 6

It is not long until our winter performance! Practise singing our class song. Try singing it in front of your friends and family. Remember to use the actions, use a loud performing voice and smile!

#### T- Rex The Short-Armed Dinosaur

You know Stegosaurus and Pterodactyl  
Triceratops and Velociraptor  
But do you recall?  
The most famous dinosaur of all?

T-Rex the Short-armed Dinosaur  
Had a very fearsome roar  
King of Cretaceous period  
You would run away for sure.  
All of the other dinosaurs  
Used to scream and run away  
They never let poor T-Rex  
Join in any Dino games.

Then one ashy Cretaceous day,  
Stego came to stay,  
With its giant plates and spikes,  
it put up a great big fight.

But out of all the dinosaurs,  
It is not a mystery,  
T-Rex the short-armed dinosaur,  
You'll go down in history.
