

Year 1 - Home Learning

Spring Term 2 - Week 1

Hatching Chicks

Over the last week we have looked after our hatching chicks. We have watched some chicks being born.

Cut out the step by step pictures of a chick being born. Stick them in the right order in your home learning book.

*Support* - Your child may need support to order the pictures. Help them by talking about each step together. Need help? Visit <http://www.thehappychickcompany.co.uk/> and click on 'activities' where you will find the pictures in the right order.

*Challenge* - Write a caption under each picture to tell the reader what is happening for each step. Think of your own title. Remember to number each step.

Here are some words you might need for your writing:

egg

hatch

crack

wet

fluffy

yellow

curled

tired

rest

Please remember to log into Doodle Maths and Bug Club to continue your Maths and English learning at home.
