

Year 1 - Home Learning

Spring Term 2 - Week 2

Spring Detectives!

Have you noticed anything changing outside? As we move from the Winter season to the Spring season you may have spotted some changes.

This week for your home learning we would like you to be Spring detectives! Ask your parent / carer to take photos using their phone / camera on the way to or from school, draw pictures **or** write about any signs of Spring you can spot. You choose how to record this.

Look up, look down and look all around. Look at trees, plants and animals. Can you spot any insects? How do bulbs know when to grow? How do trees know when to blossom? Why do some insects come out in Spring?

Please remember to log into Doodle Maths and Bug Club to continue your Maths and English learning at home.
