

## Home learning Year 2

Summer Term - week 1 (25.4.19)

Welcome back to school. We hope you had a wonderful break.

As part of our new topic, 'Let's Explore,' we are looking forward to going on educational visits to compare life in the city, countryside and seaside.

Can you describe a different place that you have visited? For example, you may remember a visit to friends or relatives, a trip to London, a journey on a train, an outing to the park or a holiday... For this week's home learning, please draw a picture of a place you have seen and maybe add some sentences to describe it. It can even be a fantasy place that you would like to visit!
