Summer 1 Week 4

In English, we have been learning the story of The Town Mouse and The Country Mouse to link to our topic – Let's Explore!

This week, we wrote our own versions of the story to include different animals from either a town, countryside or seaside. Can you choose an animal that lives in either of these settlements (or another one of your choosing) and create one of the following –

- A drawing of the animal
- An information poster of the animal
- A list of facts
- Another activity of your choice

We will be using some of these to add to our classroom displays.
